Tregrebi Site Name Tregrebi Pre-1974 County Cornwall Doubtful **Present County** Cornwall Site Type The site of Tregrebi has not been located. Its inclusion on the list comes from the mention of Description Tregrebri in the Domsesday Book and its appearance as a separate place in the 1924 translation of the Domesday Book for Cornwall. [1] Since this translation, the Phillimore edition of Domesday has now identified the settlement as 'Genver?', and it is therefore listed here as doubtful. [2] This is still a doubted identification of the Domesday place-name and ideas may change in the future. There is no indication of why the settlement appears as Tregrebi rather than Tregrebri in the 1968 Gazetteer. Appears in the Gazetteer of Deserted Medieval Villages known in 1968.
