Trenidered

| Site Name | Trenidered | | Pre-1974 County | Cornwall | |
|---|---|----|-----------------|----------|--|
| Site Type | Doubtful | | Present County | Cornwall | |
| Description | The site of Trenidered has not been located. Its inclusion on the list comes from the mention of Trewderet in the Domsesday Book and its appearance as a separate place in the 1924 translation of the Domesday Book for Cornwall. [1] Since this translation, the Phillimore edition of Domesday has now identified the settlement as Trehudreth, and it is therefore listed here as doubtful. [2] There is no indication of why the settlement appears as Trenidered rather than Trewderet in the 1968 Gazetteer apart from its mention as this settlement in 1924. [1] | | | | |
| Appears in the Gazetteer of Deserted Medieval Villages known in 1968. | | | | | |
