Scilcheham

Site Name	Scilcheham		Pre-1974 County	Essex
Site Type	DMV		Present County	Essex
Description	Scilcheham is recorded in Domesday Book with a minimum population of 19, and is thought to be the same as another unlocated settlement in Domesday Book, Sciddeham. The English Place-Name Society has suggested that the name is possibly associated with Sheddon or Sharing Hall. [1] The Domesday Book records pasture and 100 sheep and Round suggests that it may be located on the coast. [2] Appears in the Gazetteer of Deserted Medieval Villages known in 1968.
