Hundewic

Site Name	Hundewic		Pre-1974 County	Gloucestershire
Site Type	Doubti	ful	Present County	Gloucestershire
Description	Hundewic is recorded along with Alderton in the Domesday Book, and has been interpreted as Hentage which is preserved in a field name in Alderton parish. [1] The holding in Domesday was a simple one hide, and there are no further records for a settlement here so this must be in doubt. It has not been given a grid reference as this is still unclear. Appears in the Gazetteer of Deserted Medieval Villages known in 1968.
