Sapletone

Site Name	Sapletone		Pre-1974 County	Gloucestershire
Site Type	DMV		Present County	Gloucestershire
Description	Sapletone is recorded in the Domesday Book under an entry for Bishop's Cleeve, and has been translated as Sapperton. It is assessed as four hides and a total of 49 people are recorded here and the two other places in this entry. The English Place-Name society has identified this as in Beckford Parish. [1] However this has been debated by the Phillimore edition of the Domesday Book. [2] This remains unidentified. Appears in the Gazetteer of Deserted Medieval Villages known in 1968.
